"The Campbell Posture Cane has given me my freedom back."

— Thomas Smith

Campbell Posture Cane™

Traditional canes force you to walk hunched over and head down, causing debilitating neck, back and joint pain. The ingenious Campbell Posture Cane™ helps you to walk more upright so you can look forward instead of down and maintain balance when you walk. The revolutionary handle makes it more comfortable for your shoulder and wrist placing you in a natural, upright position. Features 10 height adjustments for users height 5' to 6'2".

#087433 Campbell Posture Cane™ \$39.99 \$29.99

- Cane is free-standing with a 360° traction base
- Lightweight, sturdy & easy-to-carry
