- Clean Room Design.
- Cleanroom Build, Repair and Remodel.
- USP 800 facility upgrade to meet the new 2019 hazardous chemical handling requirements prior to the compliance deadline.

TESTIMONIALS

What Others Are Saying

"The Performance Assurance installation team was quick, clean, and through, Filter integrity validation the following day was quicker and much less intrusive than previously."

Owner, Large Nuclear Pharmacy Company

"everyone is going to need these"

President, Large Home Infusion Company, Tampa Bay area

"installation went smooth, we installed 4 ports in about 4 hours"

Vice President, Multi-State Pharmacy Chain.

"this is a life-saver, we've installed these in four of our pharmacies and are planning on a fifth"

Directory of Pharmacy, Large Teaching Hospital, North Florida
