Spa Cover EZ Lifter **\$119** ~~**\$238**~~

The Ideal E-Z Lifter derives its name from being easy to install and easy to operate. One easy motion lifts any cover up to 96" and stores it in an upright position!

Fits most spa shapes and attaches to the hot tub's base or directly to your deck. There's no need for large mounting plates or permanent cover attachments with E-Z Lifter.

Simple, durable, reliable! Ideal E-Z Lifter is the affordable spa cover removal & storage system you can depend on.
Requires just 18" of clearance from any wall in order to function properly.
