Washing your hands is always the best defense, but unfortunately that's not always possible. So when you're out and about and can't wash your hands right away or need something for those in-between moments, **VIROSHIELD HAND SANITIZER** is the answer. Made with 75% Isopropyl Alcohol Antiseptic, it can help reduce bacteria that potentially can cause disease.

Drug Facts	
Active ingredient(s)	Purpose
Isopropyl alcohol 75% v/v	Antiseptic
Use(s)	
Hand sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.	
Warnings	
For external use only. Flammable. Keep away from heat or flame.	
Do not use	
• in children less than 2 months of age	
• on open skin wounds	
When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.	
Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.	
Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.	
Directions	
• Place enough product on hands to cover all surfaces. Rub hands together until dry.	
• Supervise children under 6 years of age when using this product to avoid swallowing.	
Other information	
• Store between 15-30C (59-86F)	
• Avoid freezing and excessive heat above 40C (104F)	
Inactive ingredients glycerin, hydrogen peroxide, purified water USP
