#### Description [Reviews](#)

[strong wind & low noise]: smartdevil USB desktop fan is simple in design and powerful in function. Equipped with 3 fan blades, strong wind, combined with the brushless motor, it can provide ultra quiet sound. It's best to be with you at work or in bed without disturbing you.

[one key control and four speed adjustable]: there are four gears to choose from. In addition to the three basic gears of low / medium / high, a natural wind gear with moderate wind force for key control, simple operation. Press the power button repeatedly to adjust the appropriate fan speed.

[angle adjustable & easy to clean]: adjust 45 degrees up and down, and change the wind direction as required. Indoor air circulation, room temperature balance. Rotate the fan cover to distance of the windshield. Detachable design, clockwise rotation, take out the net cover, easy to clean. Windshield can be washed directly with water, and other parts such as fan blade wiped with a rag.

[wireless use & Multi compatible USB interface]: the fan is equipped with 3000mAh rechargeable battery, two power modes. It can be used wirelessly after full charge, and can be used after full charge (the available time depends on the wind speed). It can also be powered via USB and is compatible with PC / laptop, mobile power, AC adapter, car charger and other USB power supplies.
