Question: I'm a size 16 in dresses and an xl in pants. what size would I get?

Answer: I am a size 16 jean and a 18/20 top. I bought the largest size. Thank god I k m.j ow an amazing tailor! I had to let it out. We used the tie sash to create a side gusset. Other than that the dress worked fabulously!

Question: Is the fabric cotton, rayon or polyester? It looks like velvet, not flannel. So what is the fabric actually made of?

Answer: The fabric of this dress is 100% Taffeta, seems like satin, but more sturdy.

★★★★★ PERFECT!!

Reviewed in the United States on October 15, 2019

Size: Small | Color: Wine Red | **Verified Purchase**

This dress is fantastic! If you need a historical costume, this is perfect. Beautifully made and comes with hoop - no other product on Amazon that I saw comes with the hoop! Really an amazing value and fits many sizes since it ties in back.

★★★★★ Good quality material and styling

Beautiful heavy taffeta fabric and attention to detail in the sewing. True to size. Order per bust size because the waist can be cinched with the attached belt. Because I am 5ft 3, I wore it with an additional petticoat in order to raise the dress off the floor for dancing. Please note there is a perfectly matched burgundy velvet men's tailcoat on Amazon! ★★★★★ Sizing is correct, good quality for the price

It was beautiful! I got a size larger because I have broad shoulders, and I'm short so the dress was too but the pettiskirt lifted it off the ground just enough. Good quality would buy from the couple again.

Arrived on time .

★★★★☆ Nice elegant dress

Reviewed in the United States on December 4, 2019

Size: Medium | Color: Black | **Verified Purchase** | **Early Reviewer Rewards** (What's this?)

I normally wear a medium or size 6. The dress fit very nicely. I bought the dress for a school program. I loved that it came with a hoop. Once I ironed it looked great. The only reason I didn't give it 5 stars was because the bows are hot glued on and I think a couple of stitches would have made it look nicer instead of hot glue. All my students thought I looked very fancy in this dress. I would buy this dress again.

The neckline was too big and the zipper kept sticking. It did look good on got complimented. I used for a Christmas event at my 1880s Victorian home with the Southern Ghost Girls, filming for their tv show for Netflix
