★★★★★ **Great Wig, Great Price!!!!**

I ordered the 16 inch body wave and it is amazing. I took a chance because for the price I didn't know what to expect since there were no reviews. From the packaging to the unit itself and the hairline, everything is beyond great! The hairline is preplucked to perfection. It has 13x4 inch lace, and it's soooo soft and full of body! It came with a rat tail comb and black wig cap. Also, the length is as it should be! Ladies HURRY UP and purchase this! U WILL NOT be disappointed!!!
