## PODCAST

### ENGINEERING CHANGE PODCAST WITH DR. YVETTE E. PEARSON

Engineering Change is the podcast designed to help **REDEFINE** the engineering education experience as we know it by: **RE-imaging** who we see as engineers and what we see as engineering, **DE-siloing** academic programs and problem solving, and **FINE-tuning** academic culture and climate using best practices for diversity, equity, and inclusion so people from all backgrounds can succeed. Hosted by renowned engineering educator, Dr. Yvette E. Pearson, each episode will leave listeners with strategies you can put into practice wherever you are in the process of **ENGINEERING CHANGE**.
