THE NUTTER CYCLE MULTI TOOL

\$59.99 USD

★★★★★ 3 Reviews

Mark M. - Verified Buyer - It is a well built multi tool to carry in my backpack while riding with friends. I also carry while camping to service equipment while on the trail.

Burnt Brown Leather Pouch

Featuring all the essentials for fixing your most common bike headaches. The Nutter combines all the tools you need when out riding into one simple unit. Its unique design and distinctive form turns the tool into a handle, giving you more leverage than other multi tools on the market. The tool weighs just 110g or 3.9oz.

Featuring:

- Tool hardened stainless steel body
- Nylon tyre lever
- 15mm box head spanner
- Spoke key
