Love this bed canopy! We didn't want to use the screws to hang it, but the sticky pad that they gave us didn't work and peeled off our ceiling paint. So we had to screw it in and now it's fine.

#### It's just lovely

Reviewed in the United States on January 16, 2020

Color: Dusty Rose **Verified Purchase**

It's so darling! It's true to the color in the photos, a dusty rose. It's well made and easy to hang. The frills add a perfect touch. I would definitely recommend this canopy, we love it!

This was purchased for our 7 year old daughters room and it is just perfect! The material is thicker and looks like linen. The dusty pink is just the right color. Not too bright, but not too dull. It's very durable and nicely designed. She absolutely loves it!

**Bad product description.**

It was easy to install, but I have no idea where they get their measurements. I was searching for something that went from ceiling to floor. I have to have the tie (above the canopy) at it maximum length to reach the floor. So beware the measurement they have must be from The tip of the string to the tip of the end. Color is accurate.
