

STANDARD JU GUO FULFILLMENT +

You are browsing product shipping prices and inventories under warehouse STANDARD that supports Standard shipping options to merchant's shippable countries.

Did you know? Newly-uploaded product listings may receive free impressions. Add new products now to take advantage of the impression bonuses, expand your product offerings to customers worldwide, and grow your business. Add new products

Enroll in the Wish Returns Program The Wish Returns Program is a way for you to get back your product before refunding a customer. To qualify, products must ship to the United States and/or eligible European countries, and you must have a United States or European return address. If a customer requests a refund, the customer will be asked to return the product to that return address. Learn more
