Thimbles The Ragdoll Kitty Hoodie

[Thimbles]
\$100.00

Product #: 6181

Thimbles is a little ragdoll kitty... literally! She's made of scraps, scraps, buttons and twine. She can solve any problem with just a needle (and thimble off course) and doesn't sweat the small stuff.

Want to wear a tail with your hoodie? Make it a combo and save \$5 on your tail!

Tail will match your color theme. Tail measures approx. 30" long and can be pinned to your hoodie or worn on a belt.

Hoodies by Pawstar are not only warm, cozy and adorable, but practical as well! Unisex sizing for a comfy fit, toasty anti-pill fleece to keep your hoodie looking great for many years!

Handcrafted with 15 years of professional experience! As with all our creations, this item comes with a lifetime manufacturer's warranty: if the item breaks from general use and wear despite proper care, we will fix or replace it for free!

Materials: Anti-Pill Fleece
