

## Mobile Phlebotomy Services

Why drive miles to your lab, fight traffic, wait in long lines, sit for hours in a waiting room filled with ill people -- when we can come to you in the privacy of your home or office.

We are an expert concierge mobile phlebotomy & specimen collection service. Our friendly, experienced and reliable phlebotomist's will provide you with the very best service to insure your important specimens are handled properly from draw to drop-off.

We provide lab services at your convenience and location.

Mobile Stick is a mobile phlebotomy concierge service for Chatham and surrounding counties. No longer do you need to miss work or wait in a busy doctor's office.

Let us come to you at your convenience.

LeTarsha is wonderful! She is very professional and passionate about what she does. I don't even feel the needle go in and I had ZERO bruising the next day which is a first for me!
