I return one of these before a week ago and got a new packet. For the same reason I feared. Some of them had holes.

I purchased this for my daughters 4th birthday party. We inflated it, handed it to her and it immediately exploded as it split all the way up the side. She cried. Total waste of money and a little girls time and joy.

 Beautiful and cool set of balloons. My niece went crazy over them.

 All of the balloons deflated or popped within a few hours. I found multiple holes in the stems of the balloons. The big number 4 blew apart when putting helium in it. Very disappointed
