**Beautiful Arch anyone can do!**

It turned out beautiful! Inflating the balloons was not easy but that's because we didn't have the appropriate pumps. Probably took 2 of us about 2 hours to inflate by mouth and with a bike tire pump. Assembly was easy though. Comes with a clear cord with slots for the balloons. Had extra balloon and cord to decorate different areas. It was worth it though. Everyone loved it!

I like how there's plenty of balloons, I thought it came with the animals by looking at the picture but I guess not. Overall I did like the decors
