★★★★★ Sturdy tools which do the job :)

These are great for clipping off hang nails which sometimes appear when I file my nails. I used to have a tendency to keeping pulling them or even trying to bite them off but they would then just tear down the side on my nail and bleed, but not any more. They are very sharp. The cutting head is small as you would expect so I personally wouldn't be cutting my nails with them but they would trim off any edges.
