★★★★★ Everything you need to repair your Joy-Con included!

Reviewed in the United States on June 19, 2020

Color: Black

Really impressed with this repair kit. The replacement joysticks feel amazing, just like a set of brand new OEM joy-cons. The tools included did the job just fine and they include 4 extra screws in case you strip your own.

Tony Hoerner

★★★★★ Great Quality!

Reviewed in the United States on June 19, 2020

Color: Black

No problems during the install. There many videos on YouTube that show how it's done and they're very easy to follow. So far so good on the new joycons. No drift detected and game play is back to normal.

★★★★★ Works like new

Reviewed in the United States on June 19, 2020

Color: Black

These came in exactly as described and packaged nicely and they look identical to the factory joystick. Perfect replacement for drifting joycons. Just make sure to recalibrate joycon when done.

★★★★★ Good value!

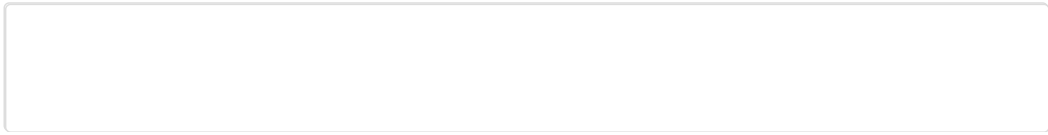

Reviewed in the United States on June 19, 2020

Color: Black

This is a great kit for fixing the dreaded joycon drift. Everything in the package was useful. The tools really helped a lot and I like that they're magnetic screwdrivers. Totally worth it!
