- **SERIOUSLY SOFT:** These toothbrush bristles will not agitate or cause pain. Never too sharp, coarse, or dense, add our soft bristle toothbrush to your teeth cleaning kit for brightening your smile.
- **CHARCOAL TOOTH BRUSH:** The gentle and effective charcoal toothbrush works perfectly for whitening teeth with activated charcoal teeth cleaning powder - a natural solution to whiter teeth.
- **GENTLE CLEANING:** Well-made and built to last, these toothbrushes will make it through hours of brushing teeth, leaving a fresh, cleaner, polished feeling while being gentle on gums.

- VALUE PACK: Whether buying tooth brushes just for yourself or for a household, a single affordable pack of teeth cleaning brushes holds enough brushing power for whitening and brightening any smile.
