Product description

Are you still worry about the flat iron straightener will hurt your hair?

This advanced uniform heating technology ensures that your hair will not be damaged. It's not like any hair dryer!

Compare with other flat iron, when you are using a hair straightener brush you can save yourself from all the painful tugging as the brush tends to run through your hair from the root in a more smooth way.

Double Negative ionic smooth your hair, dense and anti-scald comb teeth to ensure better contact with hair without scalding the scalp, Brush design save yourself from all the painful tugging as the brush tends to run through your hair from the root in a more smooth way.
