- **PREMIUM ECO-FRIENDLY MATERIAL:** Yoga mat is made by premium TPE eco friendly material by SGS certified. Thermoplastic Elastomers (TPE) are generally low modulus, flexible materials that can be stretched repeatedly providing superior durability, cushioning and slip-resistance. It's the latest technological improvement to traditional mats.
- **EXCELLENT STICKY NON-SLIP TEXTURE AND DOUBLE LAYER ANTI TEAR:** Special sticky non slip texture on both sides and density higher than ordinary yoga mats, provides excellent traction and superior grip, best suitable to practice many forms of yoga. Non slip on wood floor, tile floor, cement floor, durable, no latex, high strength of tear resistance. Moisture resistant.
- **EXTRA THICK EXTRA LONG EXTRA WIDE 72"x24"** offers adequate space to fit any type of exercise like yoga, pilates, bikram and fitness exercise. Offers the most comfortable experience for all level Yogi, the 6 mm extra thick, high density provides excellent cushioning and resilience. All our mats come with a free strap for easy transport from home to yoga class.
