Fantastic Game

What kind of activities do you arrange for your family game night? If you are still thinking about how to spend family entertainment night? YOU FIND THE RIGHT PLACE! Rummy Cube Game is perfect game for this Evening! 4 of your family members could play this game together. It's easy but much fun game both for kids & parents. Not only suitable for all holidays, but for camping, picnicking, traveling, ect. You can play the rummy with friends in camping night, play with family in home, play with classmates/ Colleagues in leisure time.

How to Play Rummy Game

Players take turns placing numbered tiles in runs (consecutive numbers of the same color, like 2, 3, 4 in red) and groups (three or more of the same number in different colors, like a red 9, a blue 9, and a black 9), rummy style. It's easy to learn,

but packed with strategy--the "board" changes all the time as players adjust the tiles on the table. The Joker tiles add to the fun; they can be any color or number. The object is to be the first player to play every tile on your rack. Players keep track of who wins each round--the player who wins the most rounds wins this time-tested tile game (there's also a point system for use as a tie-breaker).
