100% Cotton

LIGHTWEIGHT AND COOL - This pajama set for women is made from lightweight 120 GSM woven cotton fabric. Enjoy the comfort of cotton all year long.

FULL BUTTON FRONT TOP - This soft pajama set features a full button down top that is easy to get on and off. This great feature also makes this pajama set perfect for nursing your newborn because you can easily open and close it to suit your needs.

ELASTIC WAIST - These bottoms feature an elastic waist to make relaxing as comfortable as possible. Even if you are staying at the hospital or recovering from surgery, you can trust that the elastic on these pants is secure enough to hold your pants up without digging into your skin.

GIVE THE GIFT OF RELAXATION - A pajama set is one of those warm familiar timeless products that is always appreciated as a gift - which is why it makes the perfect present for your mom, wife, sister, or friend. While few people may think to buy pajamas for themselves, everyone uses them on a daily basis. Give this pajama set as a thoughtful gift for your loved one's next birthday or for Christmas.
