Product description

Our permanent adhesive vinyl is compatible with all personal hobby and craft cutters and can be used in many applications including Windows, car decals, signs, stencils, scrap booking or any permanent application.

It can be used indoors but is waterproof and weather resistant making it the ideal craft vinyl choice for outdoor applications.

Small characters process better and you never lose registration because of letters moving on the release liner. Designs can be adhered to walls, signs, windows, phones, laptops, metal, glass, ceramic, porcelain and other smooth surfaces.

Use in scrapbook layouts, handmade cards and invitations, labels, decals, lettering, striping, stickers, banners, bumpers, mugs, Glass tumblers, containers, signs, wall decor, wall quote/words, personalized art, jewelry, paper crafts, kids projects, collage art, kitchen containers, coffee cups, phone covers, laptop covers, car windows, Halloween projects, back-to-school and more.

Tips: self-adhesive vinyl works best on smooth non-textured Solid surfaces. Use a squeegee or credit card to create adhesion with the transfer tape.
