HOONKOSE Daily Moisturizing lotion

- LIGHTWEIGHT LOTION : Suitable for use on the entire body, face, and even as hand cream for dry hands
- NATURAL BODY CARE: LATHER body wash, foot scrubs & hand creams are crafted using naturally sourced ingredients, & are enhanced with essential oils for aromatherapy that elevates the everyday. We strive to make the best natural skin care products, period.
- PATENTED TECHNOLOGY : Utilizes patented MVE controlled release technology to help replenish ceramides and deliver long lasting moisturization
- ALL DAY HYDRATION : Lightweight formula that provides 24 hour hydration and helps restore the protective skin barrier with three essential ceramides (1, 3, 6 II)
- GENTLE ON SKIN : Free of fragrance and oil, hypoallergenic, non-comedogenic and non-irritating

Our MultiVesicular Emulsion (MVE) ensures moisturizing ingredients are delivered to the skin slowly over time, lasting long after you apply it. Developed with dermatologists, HOONKOSE Daily Moisturizing Lotion has a unique, lightweight formula that provides 24-hour hydration and helps restore the protective skin barrier with three essential ceramides (1,3,6-II). The formula also contains hyaluronic acid to help retain skin's natural moisture.
