- 3 LAYERS - These quality three-ply masks are made of Meltblown cloth and Non-woven fabric which are proven to filter more effectively as well as provide a waterproof barrier not achieved in masks without the Meltblown cloth layer.
- COMFORTABLE & ADJUSTABLE - Made with extra soft ear loops and a flexible metal nose bridge on the mask to provide a more comfortable and secure fit.
- HYPOALLERGENIC - All masks are made with hypoallergenic materials to provide a comfortable feel for those with sensitive skin.
- 5 x 10 PACK OF MASKS - These disposable facemasks come in 5 packs of 10 masks (50 masks total) ensuring masks are protected and in a sanitary environment until they are ready to use.
- SIMPLE TO USE - Wash hands thoroughly prior to mask application. Keep blue side facing away from face and metal nose bridge on top. Wrap earloops around both ears. Press nose bridge to provide a tight seal at the bridge of nose and pull bottom to below chin.
