- **Extreme Powerful Suction:** Hundreds of rigorous experiments and improvements, we have produced this suction cup made of top-grade silicone material. Its suction power is 4X stronger than before, which means the car phone mount will not move at all even if you hit a bump. And it also comes with a gel pad used for rough surface. Do not worry about your rough dashboard any more.
- **True Universal Phone Holder:** We have made targeted improvements to this mobile phone holder after counting all the mobile phone sizes in the market, making it truly universal. It supports all the mainstream cell phones nowadays, including iPhone 11 / 11 Pro / Pro Max / XS / XR / XS Max / X, Samsung Galaxy Note10 / 10+ / S10 / 10+ / S10e / Note 8, S7 / S7 Edge, Google Pixel, HTC, LG, Huawei, Sony, Nokia and other smartphones.
- **360°Adjustable Viewing Angle:** The 360 degrees ball joint and the extendable telescopic arm enable you to adjust the cell phone to the most suitable position that won't block your eyes. What's more, you can use this car phone holder either vertically or horizontally, which is really convenient to navigate or pick up phone calls. You can focus on driving while this phone holder handles the other things for you.
- **Hold Your Phone Firmly:** Exclusive custom built-in gear structure enables it to grab your phone firmly after clamping it. The resistance between the gears is so huge that your phone will not fall even if you are driving on a bumpy road. Besides, the clamps and hook all have thickened silicone on them, not only protect your phone well but also increase the resistance between the phone and car mount to decrease the risk of falling.
- **Multifunction Cell Phone Holder :** 3 in 1 multiple functions car phone holder which is made with best airliner PTFE material can be mounted on dashboard windshield or air vent firmly. One small car mount or car vent mount satisfy your various usage needs. And it's perfect for most of cars, pickup trucks, SUV, trucks, taxis; good assistant for Uber, Lyft drivers.
