Perfect match and 3 packs was a little over enough for this style since it's pre-stretched.

I love this hair, I bought this hair for box braids. It's very soft and so far hasn't made my scalp itch like others I've used in the past. I've had it I now for about 2week and haven't experienced any frizz. Definitely a great buy.

★★★★★ The hair quality is good and it does not smell!

Reviewed in the United States on July 13, 2020

I love that this hair is pre-stretched (I do not know how to stretch braiding hair so that helped ALOT!) and each bundle is full! The hair has a yaki feel to it which I liked. I also loved that the hair did not smell and it did not cause irritation on my scalp. This was my first time doing my own hair at home and my micro twists turned out beautiful! Also I received the hair very quickly along with a small gift of hair jewels with my order.
