Unique Design: The only two types of scratching textures design in the market. Different touching experience makes it more irresistible for the cats. More importantly with this design, it is 50% more durable than the

normal ones.

Effective Tools: Fulfilled a cat’s scratching instinct, brings your favorite furry friend the healthy claws, a place to relive stress and great exercise. Saving your furniture and carpets from the cats since they are the “natural cardboard” at home.

Material: Made by 100% eco-friendly recycled corrugated cardboard with non-toxic glue. Perfectly healthy for your adorable cats.

Warranty: As cat lovers and experts, we believe that every cat has its own personality. We are extremely positive of our product. But we can’t be sure every individual cat will love it the same. So we are providing a 6 months warranty to this product. Feel free to contact us if you need any help of the product.
