Description [Reviews \(1\)](#)

- **【STYLISH & ROMMY SPACE】** Perfect for small dogs and small to medium size cats. Holds up to 10lbs cats and dogs! Dimension: 15.3 x 8.6 x 12.6 inches. Most airline approved under seat. Important: Please Check your airline requirements before traveling.
- **【BUBBLE WINDOW】** Pets love being able to see from this cat backpack and feel much safer! Bubble window makes it come true that pets are able to see everything in pet backpack and bring travel more fun.
- **【TOP OPENING FOR YOUR PET TO HEAD OUT】** Top has main zipper opening along with smaller mesh opening that you can keep rolled with our snap feature so your cat can hang out from the opening top. Security leash hook attachment provides extra security when using this feature.
- **【DURABLE & FUNCTIONAL】** The cat backpack is made of superior material which is scratch-resistant, Waterproof, Easy Clean and Lightweight. It's sturdy for long lasting use. The side pouches is also perfect for a can of friskies or a bag of treats!
