Press

Be a part of this new ground-breaking virtual event servicing the architectural glass, metal and fenestration industries, GlassCon Global VE-Glass Expo VE. The new event combines the popular GlassCon Global educational program with the very popular Glass Expos – all in one virtual event. September 9-10, 2020 a complete line-up of ground-breaking seminars, and interactive virtual spaces will allow the global community of all stakeholders to once again gather to benefit from one another.

The health and safety of our attendees, partners, speakers, exhibitors and staff remain our top priority.

As a virtual event, GlassCon Global VE and Glass Expo VE will:

- Make it easier than ever for participants to attend worldwide and benefit from the exceptional educational content and interaction
- Allow for hard-hitting presentations to be available containing timely information this year
- Provide attendees and exhibitors dedicated areas to network and chat related to booth content and broader industry issues

Education, Exhibition and Networking all in a virtual setting.

AN EXPERIENCE LIKE NEVER BEFORE GLOBAL VE
