I like this! It's so cool! I like the color change, it looks like the zombies are going to eat you. coffee Tea, Hot chocolate, or anything. Give it as a gift to a friend, but you must watch it first, it's fun! If you are looking for a unique A gift for that hard-to-find person, then the color-changing cup of the Association of Unemployed Philosophers is it!

High-quality cups!

Reviewed in the United States on July 6, 2020

Color: Three brothers of Luffy [Verified Purchase](#)

I like this cup. It has fine artwork and glows red when filled with hot liquid. The handle has a reasonably designed generous handle and is easy to hold. The lips of the cup are not dripping, and the size of 16 ounces is enough to hold the first cup of coffee in the morning. Ceramic surface treatment is also very good. The mug is in shatter-proof packaging and comes in a double box. The only drawback is that I should order two.

This is a cool cup. The decals and design above are great. The effect is very good, the cup is filled with the message of my energy, which makes me full of passion

When the cup is filled with hot drinks, you will see something new (try not to read it all at once).

A very beautiful, slightly larger cup with a super comfortable handle. Beautiful color and finish. Add some hot water and see the pattern of the bloody hand, a high-quality and interesting project.

Great Gift for a One Piece Fan!

There is a little bit of damage next to his knee, it looks like it was smacked up against something sharp or with a corner. UPDATE. After a brief conversation with the seller they have graciously agreed to send me a replacement, waiting on delivery now I love the cup and am very glad everything was taken care of so quickly.
