*Frequently Whispered Questions:*

#### How does it work?

Once your membership application is approved and you agree to the code of conduct, you'll be subscribed to our insider event intel PLUS you'll be assigned a personal concierge that will help arrange your event itinerary—and last minute RSVPs—all through the app. 📱

#### What type of events and how often?

*Every important party in town.* Invite-only fashion shows, magazine parties, pr and luxury brand launches, bar and restaurant openings, art gallery parties, to film screenings and live gigs. Depends on what is happening but generally there are 1-2 options *every* weekday. ⚡

#### What can I expect?

Most of the events there is no admittance or drinks cost these are complimentary events and parties with a strict guest list. 🍸

#### Do I get a plus one?

Typically yes, however it can depend on the profile of the event and the organiser. 🍸

#### What type of people is the society DDW aimed at?

- 😊 Interesting people with substance connected in their own field that add value.
- 😊 High net worth, accomplished or *up-and-coming* individuals.

👤 Actors, influencers, socialites looking to raise their profile on the red carpet at press board events and parties.

👤 And - those that enjoy being connected to the scene. 🍷

#### Would event entry be guaranteed?

It's case-by-case as we don't run the events we have a network of insiders... sometimes we have an allocation of spots... other times we submit your profile & it's up to the event host... or you RSVP directly... at some events we provide a walk-in service (or for dramatic effect, we can sneak you in) 😊

#### How are we able to offer a Dream Holiday incentive?

DDW has partnered with a leading travel agent (*no names, just one of our exclusive connections*) to GIFT successful applicants a £1500 DREAM HOLIDAY STAY. Your choice of Bali, Thailand, Cancun, Paris, Venice, Cape Town, Dubai or Las Vegas. But we only have a set number - once they're gone - they're gone. 🌴 [Holiday Terms](#)

#### Why is there a membership fee?

If this insider event info was given out to everyone completely FREE, then the parties wouldn't be exclusive and you'd never get to hang out with celebrities... If you get accepted by the committee, your contribution to the society—your membership fee—is less than a daily coffee. ☕

#### Who is the founder of DDW and how long have you been going?

DDW has been going (*albeit discreetly*) as a private society for many years - my name is **Antoin Commane** - check out my instagram [here](#). My instagram username is just my first name @antoin

#### I submitted an application. Will I be accepted?

Applications are subject to approval by the committee, being referred by an existing member can help. ✨
