- [Precise Weeder]—The Diyit weeding tool weeder is great for weeding intricate designs, perfect for removing tiny cuts precisely including negative pieces that aren't part of your design from the cutting mat.
- [Vinyl Weeding Tool]—The Diyit tool scraper scrape and clean unwanted scraps from the cutting mats, contributing to a longer lasting cutting mat. It makes removing your project easy and quick.
- [Sharp Stainless Steel Scissors]—The Diyit vinyl weeding tool scissors are very sharp and small enough to do intricate detail work. Hardened stainless steel blades feature a removable blade cover so as not to dull the blade or injure oneself.
- [Spatula and Tweezers]—The Diyit weeding tool spatula will precisely lift images from the cutting mat, preventing tearing and curling. Tweezers are designed with a reverse grip feature, enabling them to lift and secure in one step.
- [Save Your Time]—Diyit basic tool set is ergonomic and easier to handle. You are guaranteed to keep your project intact if you use these tools with a bit of patience. Plus, you will realize that it saves you a bunch of effort as you get about your crafting.
