There's Always Hope

★★★★★ **Lightweight and Portable, easy to clean**

With a new puppy, I'm using this pad to train "place". Once the skill is acquired in one room, you move the mat to another, then in the yard, then outside the yard, to a restaurant or other venue. This mat rolls up easily and is quite portable. It washes and dries quickly. Works really well for my purposes.

This product fits nicely in our large kennel and does not slip around, but my dog prefers to lay directly on the bottom of the crate/kennel. He is a large breed (Bernese Mountain dog) dog. They love cold surfaces. So, I use it on one side and he uses it to potty on during the night. It soaks up everything and I've washed it numerous times without it falling apart. He also has tried to chew on it, but is unable to tear it apart.

Just received this for our new puppy's crate. It is very well made and looks like it will keep the kennel dry and launder quickly. Not very thick, we are using it under the dog bed to protect on accidents

☆☆☆☆☆ Not durable nor chew proof!! Waste of money!!

Reviewed in the United States on December 19, 2019

I put this "chew proof" pad "durable" pad in my min pin/chihuahua's kennel and left him alone for exactly 1 hour and this is how well it held up. Don't waste your money on this kennel pad that is obviously NOT durable or chew proof!! If my little guy can destroy it imagine what an average sized dog that wants to eat it can do! I'm definitely getting my money back!!

Lasted 5 days before our 6 month old black lab puppy got it and chewed through it. And it was under the crate!

☆☆☆☆☆ Nice quality

Really like this and going to use it for my dog who sits in front of sliding doors to deck. I place it there to protect the spot she sits in. Bottom is anti slip and is great but top is not... it sort of makes her slip.
