- Description [Reviews \(1\)](#)
- **PROTECT YOUR DESK** Made of durable PU leather material, which protects your desk from scratches, stains, spills, heat and outflts. It also gives your office a modern and professional atmosphere when you put it on your desktop. Its smooth surface will make you enjoy writing, typing and browsing. It's perfect for both office and home.
  - **TWO-SIDE DURABLE MATERIAL, & DOUBLE-SIDED USE** Made of premium PU leather material with durable construction, desk pad protector will last for a long time. We designed it with the same material but with different colors on each side, and you can use both sides.
