## Description

Convenient pump bottle perfect for the home or the office.

Hand sanitizer is a liquid, gel, or foam generally used to decrease infectious agents on the hands. Recommended to use when water and soap are not available. It is important to use an alcohol based sanitizer that has at least 60% ethanol or 70% isopropanol to be effective. Our al-SHIELDS Hand Sanitizer contains 75% alcohol with moisturizers making for a high effective solution to kill 99.99% of germs.
