Koilboane Button USB Wired Computer Mouse

- Smooth, precise and affordable USB-connected 3-button optical mouse
- High-definition (1000 dpi) optical tracking enables responsive cursor control for precise tracking and easy text selection
- The 3-button wired mouse measures 4.3" x 2.4" x 1.35" with a 4.92 foot (1.5 meter) cable
- Works with Windows and Mac OS
- Plug and go ready
- Ships in Certified Frustration-Free Packaging
- With or without a mouse pad, the mouse moves easily for precise optical tracking. Use the scroll wheel for fast, precise tracking to navigate through your work effortlessly. All the basic functions of a mouse in a comfortable, sleek design that works for left or right handed users.
