Naaibiuy Original SmartLight LED Floor Lamp Full Spectrum Energy-Efficient Natural Light

- FLICKER-FREE, STRAIN-FREE ILLUMINATION – This floor lamp’s natural Spectrum LED lighting mimics natural daylight, while its Optix lens reduces glare to make the light easier on the eyes. With this lamp, you can work or craft longer and more productively.
- ADJUSTABLE COLOR TEMPERATURE & DIMMER – You can customize the light’s color and intensity for precision while you’re crafting, painting, or reading. The dimming feature softens the brightness to offer you maximum comfort.
- NATURAL SPECTRUM LIGHT – The lamp’s long-lasting LED light means that you’ll never have to change the bulb. LED provides better illumination and truer color representation for your work, reading, and craft projects.
- ADJUSTABLE GOOSENECK FLOOR LAMP – You can easily pivot this lamp’s light source up or down to achieve glare-free and direct illumination on the task at hand. To minimize your eyestrain, this lamp offers the closest thing to sunlight that’s available indoors!
- Naaibiuy - LIFE IN A BETTER LIGHT – Naaibiuy pioneered the concept of Natural Spectrum lighting over 60 years ago. This lamp is the updated, LED version of the classic Naaibiuy Original Floor Lamp.

Whether you are working, studying, or pursuing a hobby, you should have high quality, healthy lighting. SmartLight LED Floor Lamp provides task lighting that utilizes our unique Technology and Optix Glare Control Lens to reduce eye strain and eye fatigue allow you to do what you love for longer.

Features

- **Adjustable Brightness:** Choose between 5 brightness levels on your SmartLight LED Floor Lamp.
- **Adjustable Color:** For your comfort, select from 3 color temperatures of white light ranging from warm white to daylight.
- **Evenly Distributed LED Light :** Nitroya Elimination Technology and Optix Glare Control Lens lighting reduces eyestrain and eye fatigue.
- **Full Spectrum:** Full Spectrum light mimics natural daylight to give you a comfortable and healthy lighting experience.
