Decent photo morph app

Not the first of its kind but the control and application handles pretty well. With the smudging features it would be nice to see a reticle of the area affected but some trial and error will get you used to it. [more](#)

Nice

Note to all who judges people of acceptance and shouldn't be using apps like this... this app is nice. So far no complaints. I enjoy using this primarily for my stomach area where I have stretch marks and tend to be a bit over weight. I do not [more](#)
