- About this item**
- **[Safety Dirt-proof Material]** This extremely soft velvet carpet is made of synthetic material (polyester) which is stain resistance. When small spills or accidents occur, spray the area with a carpet cleaning solution and let it sit for a few minutes before blotting the area dry with a clean rag.
 - **[Super Soft Fluffy Rug]** 1.57 inch long and thick pile on the surface, it gives you a soft feeling with not sticky and shedding. This fluffy rug provides a quiet and comfortable place for your family to relax your bodies and mind after a hectic day. It's ideal to create a comfy area for your family and friends.
 - **[Upgrade Non-Slip Bottom]** The High-density small and durable anti-slip dots at the bottom enhance the friction between the rug and the floor to prevent it from sliding around on your floors. Please note: Water under the rug can cause it to slip. Keep the bottom of the rug dry.
 - **[Less Noise, More Rest]** High density sponge layer in the middle brings not only softness, but also sound absorption ability. This fuzzy rug is significantly more efficient at reducing noisy when compared with other flooring options. So everyone from baby to elderly gets a quieter, less distracting environment.
 - **[Perfect Home Decor]** This shaggy area rug with beautiful color is an ideal choice for home decoration. It's perfect for the living room, bedroom, nursery, kids room, girls room, baby's room, playroom, classroom, etc. It also harmoniously blends with most floors and furniture. Tip: Different monitor settings will bring a slight color difference, please be noted.
