Wool Woven Vinyl Coir

### WELCOME TO DESIGN MATERIALS, INC.

Worldwide in scope, **DMI floor coverings** originate from a diverse group of manufacturers and the various growers and fiber producers that support them. A wide range of floor coverings are collected in our U.S. warehouses, and then distributed throughout North America to independent retailers and interior designers. Because of our commitment to maintain large inventories of all styles, the carpets, rugs, and flooring are shipped within days of receiving an order. Ultimately placing the world's unique flooring styles within easy reach of the North America marketplace.

**Products include:**

- Naturals, sisal, seagrass, jute, coir
- 100% Wool carpets and rugs
- Commercial Carpets
- Woven Vinyl flooring
- Weather Safe carpets and rugs
- Matting rolls for expansive areas
- Wall Coverings
