BE THE ENERGY YOU WANT TO ATTRACT

Life Coaching

David is extremely passionate about developing and empowering people. That is his personal purpose in life. He would love to talk to you about what changes you could make to live the most impactful life, and help you find your purpose.

Angel Card Readings

Maegen has always been extremely in tune with the spiritual world. One of her gifts is her ability to give accurate spirit-led angel readings. You may receive answers to questions you have been wondering about, providing clarity and guidance on what to do next. And it is always a lot of fun!

Business Coaching

David has spent more than a decade mastering the art of the sale. He has started as the first sales person in a medical sales start up in Manhattan, and helped scale the team to over 170 employees nationally, and was responsible for 10s of millions of dollars in revenue. He managed the entire outside sales force, including field sales and trade show sales. See how you can enhance your individual or team's business acumen.

Reiki Energy Healing

Reiki is universal life-force energy. The words Reiki is comprised of two Japanese characters, Rei- meaning Spirit, and Ki- meaning energy. Reiki is everywhere, in everything, in everyone. Our ability to access and utilize this universal energy lies dormant in

Maeditate & Affirmate

What you put into your conscious mind programs your subconscious mind. The words you speak, the music you listen to, the people you surround yourself with, anything that is entering your ears begins to program your subconsciousness. It has been proven that

Mindful & Maegical

Bi-Monthly Live (Virtual) Group Coaching - This is a great opportunity to get group coaching from Maegical's Maegen and David, and to begin an intentional journey to balance your energy and how to create the habits/exercises to manifest a positive vision/growth in your life.

each of us, until we are attuned by a Reiki Master.

95% of your day is run by your subconscious mind. Most people unfortunately have subconscious programming that is detrimental to living the life they want to live so dearly. They have been programmed with fear based material, limited beliefs, and victim-based thinking. And these things are, unfortunately, ruining their lives.

Video coaching link will be sent by email in advance of each Mindful and Maegical session. Be part of something Maegical from the beginning! Every other Sunday from 12 pm - 1:00 pm CST (1 pm - 2:00 pm EST/10:00 am - 11:00 am PST).

Trauma Breathwork & Chakra Balancing

When we suppress trauma, it will manifest in your body as chronic illness, mystery illness, anxiety, ptsd, disease, etc. When you are living in this state, your 7 chakras often become imbalanced, resulting in further symptoms of sickness. Doing guided breath work you can get all 7 chakras spinning the correct way in perfect alignment, you can also go back and face the painful feelings of suppressed trauma, and through guided breath work you may feel it, process it, and release it out of your energetic and physical body so that healing may begin.

Plant Medicine

The medicinal value herbs and plants bring is natural, holistic, and reaches far into improving physical, mental, and spiritual health. Plant medicine is a vital part of Maegen & David's healing journey - they are developing more ways to integrate natural medicine in their practice and welcome your related questions as you consider your healing journey.

Twin Flame Guidance

A Twin Flame is a person who you have an incredibly deep and powerful connection with on a spiritual level. Twin Flames open the door to tremendous emotional, psychological, and spiritual growth. This relationship is easily going to be the most challenging, yet most rewarding relationships you have in this lifetime. It will force you to face the most hidden parts of yourself.
