~ About order FAQ

Q:How about shipping?

A: As we knows ,we can not control the arrival days when the package is shipping on the road! So, please do not open the dispute when you still do not receive the order in 59 days with the Sweden Post shipping ways . And do not give us negative feedback for the reason of order arrival days !

* We do not warrantee delivery time on all international shipments due to differences in customs clearing times in individual countries, which may affect how quickly your product is inspected. Please note that buyers are responsible for all additional customs fees, brokerage fees, duties, and taxes for importation into your country. These additional fees may be collected at time of delivery. We will not refund shipping charges for refused shipments.The shipping cost does not include any import taxes, and buyers are responsible for customs duties !"
