About This Item

We aim to show you accurate product information. Manufacturers, suppliers and others provide what you see here, and we have not verified it. [See our disclaimer](#)

One of the finest quality vinyl cement glues on the market today is the HH 66 Adhesive Vinyl Cement brand. The HH-66 vinyl cement glue dries very fast. It will bond to any vinyl and hold up very tight. We highly recommend customers use HH-66 vinyl cement glue to repair your inflatables, but it's versatile usage is exceptional for so many other tasks as well. The HH 66 Adhesive Vinyl Cement creates super strong, flexible bonds for vinyl coated and laminated fabrics. This vinyl cement glue is waterproof and highly resistant to extreme weather and temperatures, making it an absolutely superior product for patching and sealing. This is a top quality vinyl cement for the inflatable industry. It comes with an application brush and is Made in the USA. Not for use on fabrics, headliners and carpet.

- Super-strong, flexible vinyl cement creates a liquid-proof seal
- Durable, liquid proof bonding for most vinyl-coated and vinyl-laminated fabrics
- Resistant to extreme temperature and weather
- Ideal for general patching use
- Clear vinyl cement glue includes brush for easy application
