**Product description**

The innovative beauty mirror with advanced functionality meets all the requirements of modern fashionistas and professional makeup artists. Enjoy natural uniform backlight with 66 LEDs arranged in a circle and easily adjust the brightness of the light depending on the time of day. Made in collaboration with leading makeup artists, this vanity mirror has a premium high definition clear glass coating that provides clear reflection without distortion or blurring. A clear reflection and 3 types of lighting will help you choose the right makeup for work, walks with friends or an evening out. Take advantage of different levels from the softest (160 lux) to the brightest (1100 lux) and always be confident in yourself with this perfect makeup mirror. The brightness of the vanity mirror is selected according to the standards of professional make-up rooms. Light does not harm eyes while providing natural color reproduction with soft but saturated light.
