- Adjustable and foldable - The children's scooter has an adjustable handlebar with 3 height-adjustable options, which is ideal for children from 3 to 10 years old. The lightweight design and the foldable handlebar make it easier to transport and store the kick scooter when not in use.
- LED light wheels - The steering wheel of the Kids Scooter lights up in various flashing colors and gives the ride a funny feeling. No battery required! Children love this special feature that makes scooters unique!
- Easy turning and stopping - The Kids Scooter uses an intuitive tilt steering mechanism. This type of guidance makes it easier for children to learn to roll and to promote their balance, coordination and development of motor skills.
- Durable and easy to drive - The kids scooter is durable and can carry 50 kg. The unique 3-PU wheels have a high elasticity and ABEC-7 bearings, which make children's scooters stable, smoothly and smoothly.
- Comfort and safety - The non-slip deck is under the floor and makes it easier for children to get on and off. Large enough to put your feet on the deck. Children can switch from pushing to riding. It also prevents dangerous sharp turns, so you can make sure your child has fun in a safe situation.
