DESCRIPTION **REVIEWS**

Why you need a travel neck pillow-our neck pillows are ergonomically designed to ensure the best neck and head support. Will relieve pain and prevent neck stiffness and fatigue. Never compromise on comfort anymore! Refuse to breathe-this travel neck pillow is inflated with a button. Press the pillow's inflation valve repeatedly until the desired inflation volume is reached! To release the air, simply push the double-sealed black air valve on the pillow. The outer cover has a very safe hidden zipper, which can be removed for easy washing in the washing machine. Compact and lightweight-breathable and adjustable neck support pillow with eye mask, earplugs and carrying case. After use, you only need to put the rolled neck pillow into the attached drawstring pouch, and you can store it next time. The inflatable flying pillow is a backpack-style pillow, light and compact, and can put the neck pillow in the backpack or suitcase. Really multifunctional pillow-this neck pillow can relieve pain, it is very suitable for airplane, car, bus and train travel. It can also be used as a car headrest pillow. You can even watch TV, read, study and take a nap at home or office. It can be used to support the neck, head, and even as a lumbar cushion. Exactly the same comfort. It is a travel pillow suitable for adults and children.
