FAQ

Throughout history, most wealth with businesses and people have been created with new inventions.

Most firms charge about \$7,000 to \$12,000 to file a patent application for their clients. We charge less and we don't charge hourly like most firms.

We Are Offering Filing A Free Trademark Application Filing With The Filing Of A Utility Patent Application.

We follow the normal, standard IP procedures except for A NEW, SECRET Model - The Smart Wealth Blueprint™.

This Model is the NEW normal.

This includes the following FREE service:

When You Hire Us To Draft A (Utility) Patent Application, We File The Patent Application, And We Also Hire A Drawing Expert Who Will Create A 3D Model Of One Drawing Of Your Invention So You Can See How It Will Look In The Real World. This Service Costs Our Website Money, But It Is Free For Our Clients.
