DESCRIPTION **REVIEWS**

The mini table fan can be folded to 180°. You can use this fan: hold it in your hand, put it on the table,

The brushless motor makes the fan durable. Efficient power supply and conversion circuit can minimize losses, save energy and protect the environment

The design is very suitable for outdoor crowds, even if the temperature is too high, you do not have to worry about the outdoors, because this fan can cool down and is a must-have in summer.
