**HOW TO WASH:**

Hand wash only

Before Initial use: Wipe down the neoprene Waist Trimmer belt with a damp cloth. Use a clean cloth to dry off Waist Trimmer or air-dry overnight.

After Exercise: Lather a damp cloth with soap and run down inside of Waist Trimmer several times. Use a clean cloth to dry and air-dry overnight. Then, rinse the cloth and wipe down again until there are no soapy streaks left. Use a clean cloth to dry or air-dry overnight.

**HOW TO WEAR:**

The Waist Trimmer should only be worn during exercise for no more than 2-3 hrs at a time. Before you begin exercising, adjust your Waist Trimmer to desired position and wrap it comfortably around your abdomen. The Fitru Waist Trimmer can be worn under or over your clothing but

is designed to be most effective while worn under clothing.

ALLERGY NOTICE Some individuals may be sensitive to Neoprene or Neoprene blend rubber. If a rash develops discontinue use. Before starting any exercise routine please consult a physician. Always monitor your body while exercising and remember to stay hydrated.
